

BE RADIANT HEATER - 20.5 KW (70,000 BTU) OUTPUT

SKU: PIN HK070R

Heating Area 158 m²

15.1 L Fuel Tank

Fuel Consumption 2 L/hr

Features

Warm up your space without waking the neighbourhood. BE's 70,000 BTU diesel radiant heater provides quiet, quick, efficient heat. It's a lot quieter than comparable conventional diesel heaters and, thanks to its radiant heat plate, it will warm up to 158m² of your space, fast. This multi-fuel heater is part of BE's innovative radiant heaters that combine forced-air heat with radiant heat, which warm objects directly like the sun.

- Radiant and fan-forced heating system
- CSA Certified to run on K-1 kerosene, #1 and #2 diesel fuel, Jet A/JP8 fuel, and #1 and #2 fuel oil
- SilentDrive® Technology produces half the noise of a comparable heater
- Lightweight, ergonomic design and easy-lift handle for portability
- Advanced safety features include a safety overheat shut-off system and an error indicator light

Specifications
