Foaming Detergent (Diluted) - 1 L

Superseded by [DET Jumbo Foam 1](#)

Standard Foaming Detergent for use with our Foam lances

Manufactured in Italy, this 1 L bottle of diluted product is priced ideally to give the first time user an example of how a foamer works.. Often retailed for between \$10-15 in major box stores

What the manufacturer says:

Ideal as a car pre-wash. Thanks to its high emulsifying and degreasing power, it removes strong dirt from car bodyworks without using sponges or brushes.
