

HOT ELECTRIC PRESSURE CLEANER – THREE PHASE – SMART – BAR

SKU: 108 HOT17/13 SC

2,465 PSI @ 13 L/min
415V Electric Motor
COMET LW-K3525 Pump

Features

- SMART range represents the new generation of stainless steel hot high pressure washers.
- 430 stainless steel cover and frame
- AUTOMATIC STOP standard.
- Built-in fuel tanks.
- Detergent suction and dispensing in low pressure.
- Vertically boiler IN STAINLESS STEEL positioned with air cooling, cooling fan motor with independent control and adjustable combustion optimizer.
- Bottom boiler in refractory cement (thickness of 4 cm), resistant to thermal shock.
- Steel Coil

Safety equipment:

- This safety system **S.A.T.** stops the machine after a few seconds after the release of trigger of the gun in order to avoid unnecessary interruption of the machine. To restart it, press the trigger of the gun.
- This safety equipment **DMA** manages the absence of water stopping the machine and signaling it with a red light on the panel control. This system is really important because it avoids that the pump works without water. When the normal condition is restored, put the selector in position "ZERO" and restart the machine.
- This system stops the machine in case of a temporary interruption of voltage, when the normal conditions are restored, put the selector in position "zero" and restart the machine.
- This system manages the absence of fuel stopping the solenoid and the burned ignition advising that problem with a red light on the panel control. When the normal conditions are restored, put the selector in position "zero" and restart the machine

HOT ELECTRIC PRESSURE CLEANER – THREE PHASE – SMART – BAR

Performance:

- 2465 PSI @ 13 L/min
- 30°C – 80°C Max Temperature

Motor:

- 4.0 Kw / 415 V Electric Motor
- Outlet Plug Not Included

Pump:

- Comet LW-K3525
- 1450 Rpm Pump Speed

Frame:

- Stainless Steel Cover
- Painted Steel Chasis
- Weight xxx Kg
- Dimensions: H xx x W xx x L xx

Accessories included:

- H.P. Hose 5/16" 10 M, Water Nozzle 25°, Gun with Protection, Lance with Detergent Adjusting Head
-
