

HYDROSTATIC PIPE TESTER - COMPACT **BAR**

SKU: 210 MTP HYDR FW2-4022

Hydraulic Drive Italy built Comet pump 2,200 PSI @ 15 L/min

Hydraulic Drive 2,200 PSI

Italian Manufactured Motor Pump Units

Features

- **GROUP 2** Hydraulic Engine (20 cc)
- Brass Pump Head
- Reversible Crankcase for Right or left Hand Mounting
- Hardened Stainless Steel piston Guides Highly Efficient
Stainless Steel Check Valves
- Solid Ceramic Plungers
- High & Low Pressure Seals: High Quality Buna-Textile
Packings
- Additional Anti-Extrusion Ring under the Seal
- Solid Brass Manifolds
- Special Forged Brass Oversized Connecting Rods
- Die-Cast, Anodized Aluminum Crankcase
- Highly Quality Tapered Roller Bearings
- Optimal Oil Bath for High Speed Operation

Specifications

- 2,200 PSI
- 15.1 L/min
- 1,450 RPM
- 5 kW
- 15.4 kg
- Hydraulic Motor
 - 20 cc
 - 29.6 L/min
 - 1,704 PSI

Use on equipment such as:

- Garbage trucks
- Cement mixers
- Skip loaders

HYDROSTATIC PIPE TESTER - COMPACT **BAR**

- Tractors
