## Complete full nozzle kit to fit the spray arch on the Coleman Water Wizard automatic car wash

- Complete full nozzle kit to fit the spray arch on the Coleman Water Wizard automatic car wash
- Each kit includes 24 HydraFlex nozzles
  - 14 x 2.0 Blast-Tec Pro™ 324 nozzles
  - 10 x 3.5 Blast-Tec Pro™ 324 nozzles
  - 24 x 1/4" BSP x 1/4" NPT Brass nozzle adaptors
- Blast-Tec Pro™ rotating turbo nozzles save water and clean better
- Specifically designed for high-pressure, high-impact vehicle wash applications including wheel blasters, undercarriage wash, rinsing, and high pressure cleaning
- Blasts a 0 degree straight water stream at up to 1000psi, while rotating at 1500-2500 rpm to provide a 24 degree cone of coverage
- Less Water and Greater impingement allows you to use a smaller nozzle size while getting the same impact as nozzles with higher flow rates
- Corrosion resistant stainless steel housing and precision machined tungsten carbide wear surfaces offer long life and smooth operation
- Minimal number of components, reduces complexity for better reliability
- Lasts up to five times longer than the competition
