

# SOFT WASH DIAPHRAGM PUMPS

**YOUR #1 SOURCE FOR SOFT WASH COMPONENTS**

## MOTOR SHIELD PROTECTION

Exclusive patent-pending Motor Shield technology automatically shuts the pump off if a leak is detected.

**2 Year Limited Consumer Pump Warranty**  
**90 Day Limited Commercial Pump Warranty**

## SOFT WASH APPLICATIONS

Use bleach mixtures to clean black mold, algae, lichen and mildew from rooftops, siding, sidewalks.

## EASY REPLACEMENT HEADS

When needed, simple bolt-on replacement heads extend the life of your pump, at a fraction of the price.

# 12 GALLON SOFT WASH UNIT

**YOUR #1 SOURCE FOR SOFT WASH COMPONENTS**

## MOTOR SHIELD PROTECTION

Exclusive patent-pending Motor Shield technology automatically shuts the pump off if a leak is detected.

## SOFT WASH APPLICATIONS

Use bleach mixtures to clean black mold, algae, lichen and mildew from rooftops, siding, sidewalks and more.

## EASY REPLACEMENT HEADS

When needed, simple bolt-on replacement heads extend the life of your pump, at a fraction of the price of a new pump.

## RECHARGEABLE LEAD ACID BATTERY

Spray up to 72 gallons on a single charge with the heavy-duty lead acid battery (12V, 12 Amp Hour). Charger included.

## RUGGED, NEVER FLAT WHEELS

Chemical resistant, solid polymer wheels can handle any terrain and never need air.

## CHEMICAL RESISTANT HOSE

30 feet of braided nylon hose allow you to spray any rooftop or hard to reach location with ease.

## STEEL FRAME & HANDLE

All steel, powder coated frame and handle to withstand the elements and softwash chemicals.
