

NEW! Heavy Duty Manual & Electric Hose Reels!

12" Heavy Duty Aluminum Manual Reel

18" Heavy Duty Aluminum Electric Reel

12" U-Channel Aluminum Manual Reel

USES

These hose reels are ideal for pest control, lawn care, pressure washing, softwash, agriculture, municipal water, fire protection, carpet cleaning, industrial and much more.

PERFORMANCE

Our direct drive 12 volt gear motor ensures a smooth and quiet operation while eliminating the need for sprockets, chains and covers. In the event of a power loss, the thru-shaft design allows the operator to use a hand crank in a matter of seconds. Our reels are built with the highest quality materials to withstand the most demanding conditions of any application. Bolt-on components, easy service and mounting holes compatible with popular brands make service and replacement simple.
