## Muffler Decoder

V	H	L	A	1
---	---	---	---	---

Variation (revisions, spark arrestor etc.)

Vendor

Direction of Exhaust

L = Left viewed from PTO

R = Right viewed from PTO

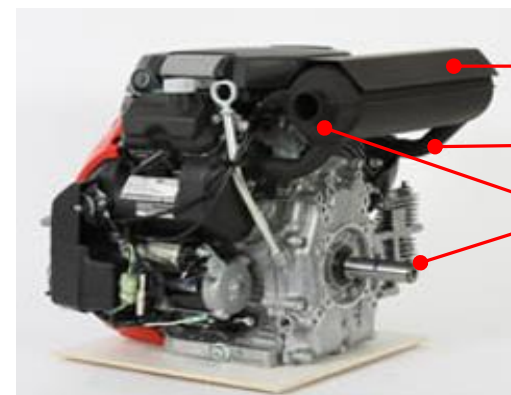

Height

H = High (around exhaust port height)

S = Side (muffler assembly on side of engine)

T = Top (muffler above air cleaner)

Muffler

V= Muffler

H= Exhaust port height

L= Left from PTO (shaft)

A or C= Vendor

A= USA

C= Australia

# Muffler Guide

p.2of6

## VHRA1

### High Mount - Right

Right hand discharge from PTO  
(shaft) side

V Muffler  
H High Mount  
R Right hand (facing shaft)  
A Vendor = USA  
1 Variation No. may  
alter due to  
specification change

## VHLA1

### High Mount - Left

Left hand discharge from PTO  
(shaft) side

V Muffler  
H High Mount  
L Left hand (facing shaft)  
A Vendor = USA  
1 Variation No. may  
alter due to  
specification change

# Muffler Guide

p.3 of 6

## VHRC1

V Muffler  
H High Mount  
R Right hand (facing shaft)  
C Vendor = Australia  
1 Variation No. may alter due to specification change

### High Mount - Right

Right hand discharge from PTO  
(shaft) side

## VHLC1

V Muffler  
H High Mount  
L Left hand (facing shaft)  
C Vendor = Australia  
1 Variation No. may alter due to specification change

### High Mount - Left

Left hand discharge from PTO  
(shaft) side

# Muffler Guide

p.4of6

## VSLA1

### Side Mount - Left

Left hand discharge from PTO  
(shaft) side  
"available via fwd order only"

V Muffler  
S Side Mount  
L Left hand (facing shaft)  
A Vendor = Australia  
1 Variation No. may  
alter due to  
specification change

\*Sample of  
alternative mount  
configuration

\*Brackets not  
available via Honda

# Muffler Guide

p.5of6

## VSRA1

### Side Mount - Right

Right hand discharge from PTO  
(shaft) side  
"available via fwd order only"

V Muffler  
S Side Mount  
R Right hand (facing shaft)  
A Vendor = Australia  
1 Variation No. may  
alter due to  
specification change

\*Sample of alternative mount  
configuration

\*Brackets not available via  
Honda

# Muffler Guide

p.6of6

**VTRA1**

## Top Mount - Right

Right hand discharge from PTO  
(shaft) side

V Muffler  
T Top Mount  
R Right hand (facing shaft)  
A Vendor = Australia  
1 Variation No. may  
alter due to  
specification change
